

Black Bear

64

R. Tucker

It's a grand old school,
And we'll follow it through;
We will fight for the red and the black!
We're from Canton High.
See our colors fly!
Canton is here to be seen;
So we give three cheers
For our four lucky years
And the ones who have stood the test.
Should old acquaintance be forgot?
Keep your eye on old C. H. S.

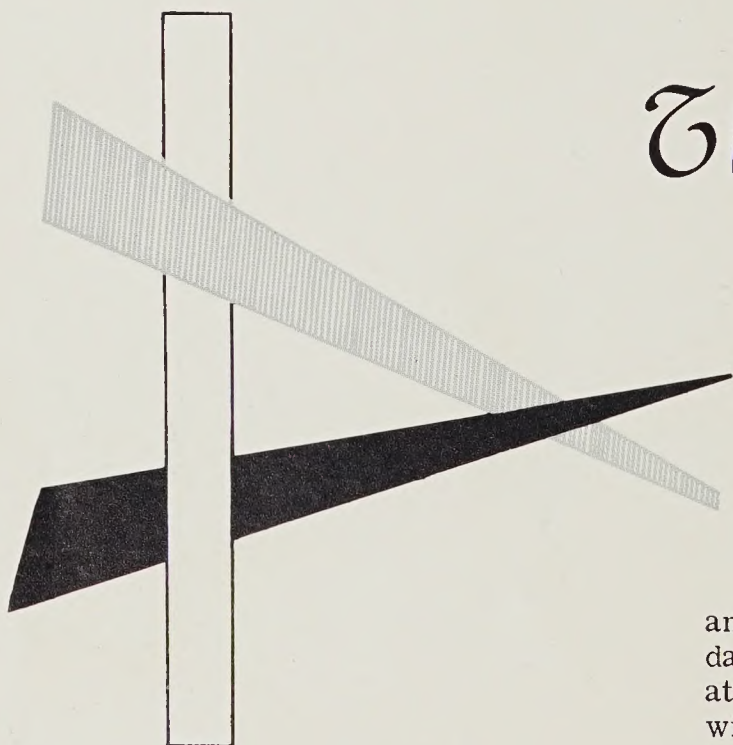

CANTON HIGH SCHOOL 1964

The 1964

Black Bear

Annual Publication
Canton High School
Canton, North Carolina

This We Believe

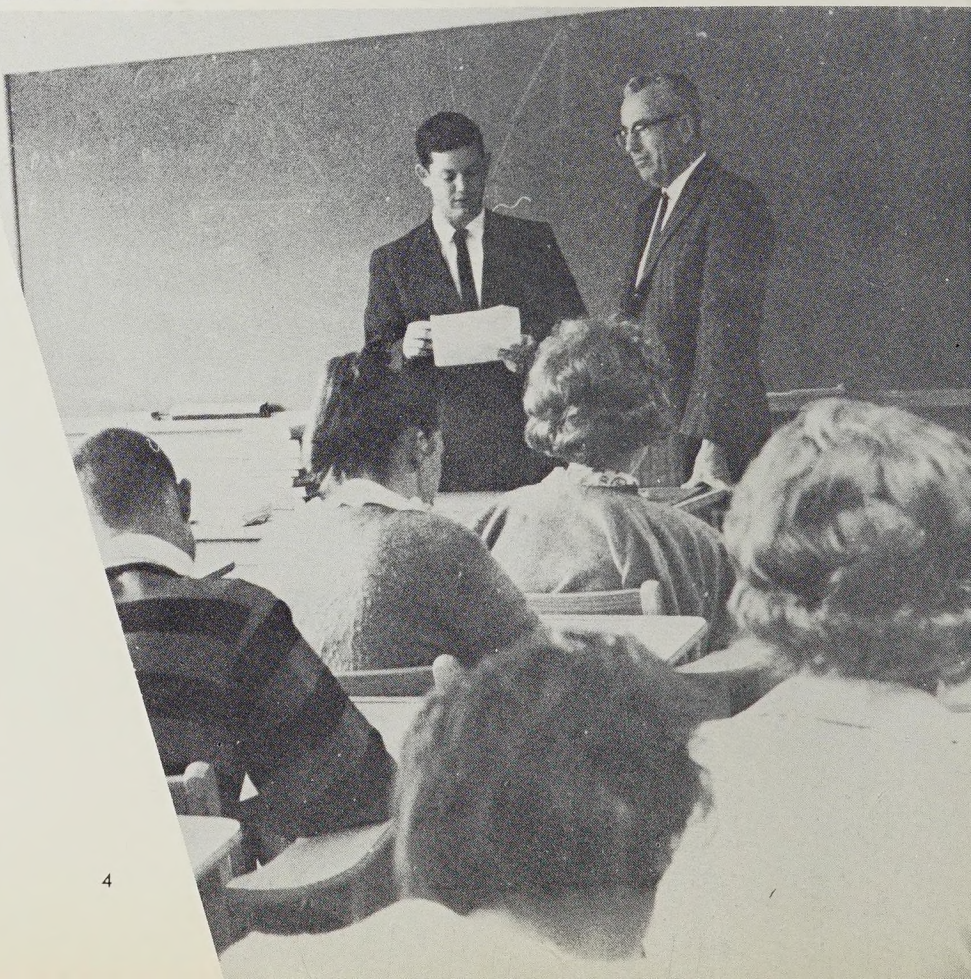

The seniors of 1964 will be graduating into an amazing world where miracles happen everyday. It is a fast moving world and after graduation we may never again see one another. Each will go his different way but he will take with him everywhere the experiences and values that he has acquired during his years at Canton High School. Therefore we wish to let this annual be representative of the values that we cherish. This we, the graduates of 1964, believe

In Friendship

In Leadership

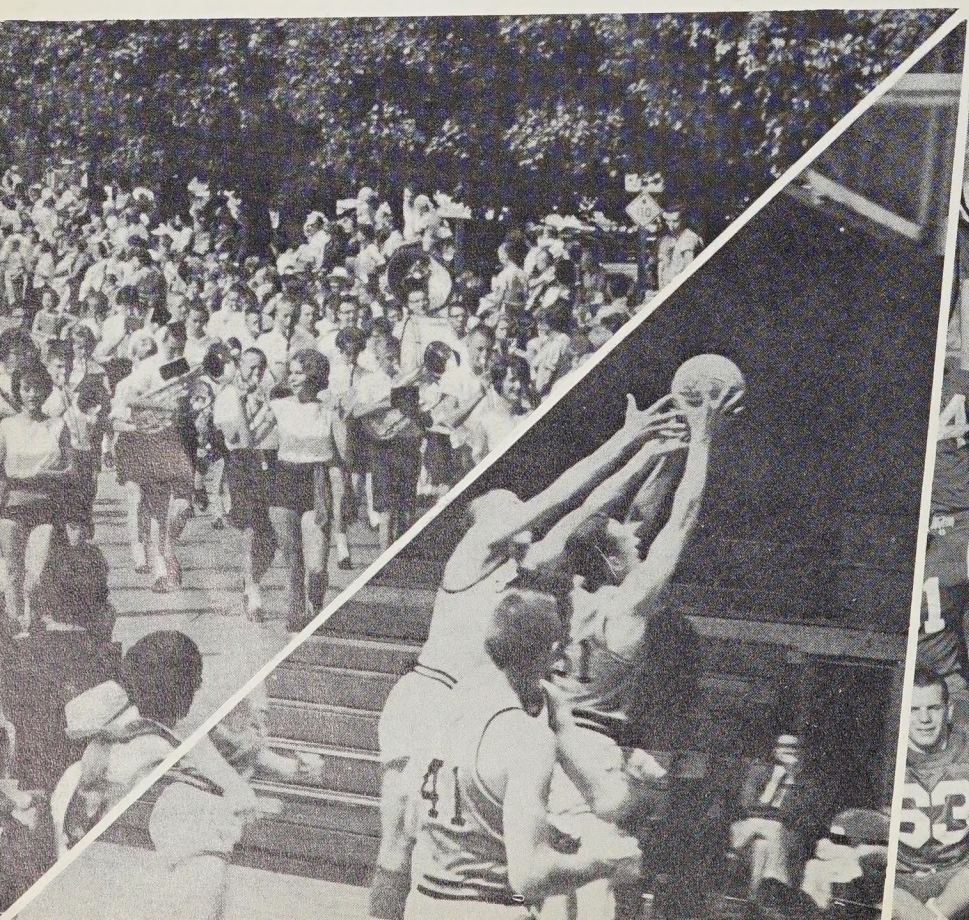

In Fellowship

In Talent and Skill

In Achievement

Carolyn

Not Robert and his harem, but the members of the BLACK BEAR Staff are: Rose-Anne Saunders, Betty Thompson, Hannah Williams, Robert Suttentfield, Martha Walker, Karen Hall, Suzanne Crisp, Margot Dale, Jane Mitchel, Becky White, Judy Williams, Lynn Henline, Paula Gibson, and Claudia Rhea.

1964 Black Bear Staff

Striving that the 1964 BLACK BEAR will be as good if not better than the 1963, which won first prize in its division at the Western North Carolina Editor's Roundtable, this year's staff has been hard at work. The seniors decide upon the theme which will best represent their years at C. H. S. The copy, layout, photography, and sales keep everyone busy but it is worth the effort to have these school memories always in pictures. Mrs. Anita Churm and Mrs. Ann Hyde, sponsors, have proven to be indispensable to the quality of this publication.

In addition to teaching they devote time to school activities after 3:00. Many of our teachers sponsor clubs and two act as sponsors for the Junior and Senior Classes. They participate in the prom and other school dances by acting as chaperones.

Our gay faculty is caught unaware by the ferocious dragon.

In Friendship

What is true friendship? It is a priceless gift that few people are able to give. A friend is one who really cares what happens to you and who has your own best interest at heart.

"To be capable of steady friendship and lasting love, are the two greatest proofs, not only of goodness of heart but of strength of mind."

William Hazlitt, CHARACTERISTICS

Class History

Our first year at C.H.S. brings back memories of persecution. We were initiated into high school by having to wear our clothes inside out but the Freshman Party given in our honor seemed to make up for everything. A good number of us joined the Latin Club and soon became "Slaves for a Day." The trip to Raleigh for the Latin Club Convention proved to be very memorable. After our many escapades and the party Terry Sanford threw at the Sir Walter Raleigh, we could not seem to keep our eyes open at the convention. This year introduced us to the "Rhyme of the Ancient Mariner"----"water, water, everywhere." We observed Twirp Week with enthusiasm and those who did not were brought before the Kangaroo Court.

Our sophomore year was better. Now we could persecute for a change and we took full advantage of that fact on Slave Day. At the Latin Club Banquet there was one squirt gun to every three people. In literature we buried Caesar and even spoke at his funeral. Silas Marner taught us that hoarding money will certainly not assure one of a happy life. John Glenn orbited the earth and Kennedy won a close battle for the Presidency. "Ben Casey" started a fad and soon the school was swarming with "doctors." Remember this year was the beginning of the dangerous dance--the twist. How many times were we warned that it would dislocate our knees, hips, and backs! Instead of the windblown look, this was the year of the hurricane look--teasing hair.

How could we ever forget the Teachers' Basketball Game! That was worth a quarter plus a million laughs. However, this year had its tragedies also, the sale of pop-sicles at lunch was stopped. There is some debate as to whether or not the tear gas bomb was a tragedy, but it must have been because everyone was crying.

After a summer of eating at the Little Boy, we returned to school as juniors. The schedules were changed and we didn't "float" anymore. We became increasingly nervous as the Cuban Crisis came to a head, and we lost a lot of classmates by marriage. This year gave us our first experience in a Powder Puff football game. Although the junior and senior girls tied 0 to 0, the event was a huge success with the presentation of a Homecoming Court and a Homecoming Queen. After selling hose all fall, we made enough money for the annual Junior-Senior Prom. Everyone had fun decorating for the prom whether they attended or not. As with "water, water everywhere" in the ninth grade and squirt guns in the tenth grade, this year we had "a great flood." One very exciting event during our junior year was the Waynesville football game. It was a close 3 to 0, but the Black Bears were victorious.

The time had come at last! Now we were the seniors, and we were the ones that supposedly "ran the school." It was time to think seriously about our futures. "What will it be" we ask ourselves, "marriage, college, or service?" Those going to college had to take the dreaded College Boards and fill out applications. This was the year of long lunch lines, increased effort for grades, and hopes for a Washington trip. The band, majorettes, and cheerleaders received new uniforms after much effort. We waited in anticipation for our cherished class rings. As usual the Waynesville game was quite exciting, but this year the score was a tie, 7 to 7. A "glamorous" Homecoming Queen reigned over the Powder Puff football game, which the seniors won 0 to 6. We became guests of honor at the Junior-Senior Banquet. Then came graduation and we were no longer students at Canton High School. The past is full of wonderful memories, but now we are looking to the future.

Class of 1965

The Junior class officers and sponsor discuss plans for the year. Selling hose is the class' traditional money-making project. Each room competes with the others to see which can make the most money. Of course this money is required for the highlight of the year--the Junior-Senior Prom and Banquet at which the seniors are honored. Many hours of hard work go into the always pleasing decorations, but it is fun. Junior class officers are president, Buddy Flynn; vice-president, Ann Warren; and secretary-treasurer, Ila Sue Sisson, and the sponsor is Mrs. Frankie Johnson.

In Fellowship

School is an educational institution and education covers many fields. One very important phase of education is learning how to get along with others. The fellowship enjoyed in clubs and other extra-curricular activities is a principle factor in becoming a well-rounded individual. One must be willing to lead, to follow, and to co-operate with others in all phases of life.

"We're glad we aren't passengers," say the school bus drivers, B. T. Green, David Gaddy, Harvey Worley, Richard Hendrix, Weldon Clark, Dean Willis, Jack Stephenson, Bobby Messer, and Jimmy Thompson.

Bus Drivers

These, the bus drivers are entrusted with the responsibility of taking students safely to and from school. They are expected to be on time in all kinds of weather - snow, rain, sleet, or ice. Think of having to drive a whole bus - load of students; it could get quite nerveracking having so many "backseat" drivers. Neither is it fun being a bus driver when the time comes to put on chains or change a flat tire. These boys do cheerfully a necessary and very important job.

In Talent and Skill

There are numerous types of skills that different people have. Students at Canton High are instructed in vocal music, instrumental music, and physical development.

It takes hard practice and determination to take full advantage of one's talents. This practice pays off when one masters a musical instrument or plays a good ballgame. The reward may be financial for some but for many it is merely knowing that he has done his best.

Caught during a rehearsal for the Christmas concert are B. Thompson, B. Parker, H. Neal, P. Scroggs, S. Ramsey, M. Snakenberg, S. Byers, M. McClean, M. Mitchell, N. Woods, T. Fish, J. Canton High School Band participates in many and varied events. The "Band of Bears" gives a special half time show for each football game, furnishes a pep band for most of the home basketball games, and marches in several parades. The band also participated in band day at both Western Carolina College and Mars Hill College. The Canton High Band gives many concerts during the year.

These majorettes are not chosen by the student body, but as a result of the impartial judging of their skill and ability.

Our 1963 majorettes are: Barbara Wilson, Debbie Justice, Vicki Jackson, on the top row. On the bottom are: Jo Ann Jackson, Sherry Ledford, Martha Walker. In the middle is Head Majorette, Margaret Smith.

Canton Cheerleaders

CANTON
CHEERLEADERS

Football game

Cheerleaders

"Go!" is the word to describe the cheerleaders for they are always on the go. Leading cheers at basketball and football games is their most important job, but they must also plan assembly programs, have pep rallies, hold bonfires, and publicize the games by making posters. The main objective of the cheerleaders is always to create good school spirit.

Those who run for cheerleader must first try out before a faculty group. The entire student body votes on those girls selected by the faculty.

Co-head cheerleaders are Robin Cabe and Nancy Smathers. The others are Nancy Boone, Diane Wells, Lynn Henline, Robin Welte, Jackie Mason, Carolyn Huffman, Earleen Cabe, and Sharon Boydston.

Junior High and High School boys on the Junior Varsity Black Bear Squad are: Rodney Robinson; Joel Henderson; Johnny Whitted; Eddie Miller; Buster Paxton; Michael Whitted; Jimmy Flynn; James Haney; Doug Clark; Larry Robinson; Melvin Robinson; Lonnie Hipps; Larry Grogam; Charles Crisp; Larry Goodwin; Nolan Smathers.

J. V. Football

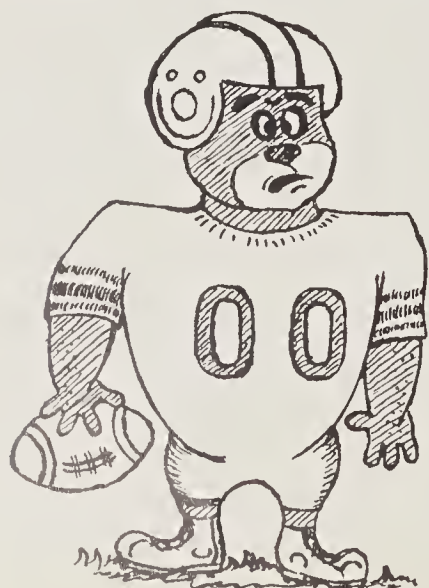

The Junior Varsity won three, lost two, and tied one.

Outstanding offensive linemen were Kent Duckworth, Lonnie Hipps and Larry Robinson. The Defensive linemen were Joel Henderson, James Haney and Johnny Whitted. The offensive backs that showed great promise were Doug Clark and Larry Goodwin. Outstanding defensive backs were Eddie Miller and Rodney Robinson.

Coach Stamey says of this group, "This is a very fine group of young men. They will represent Canton High in the future and will do an excellent job. They have the ability to be fine football players as well as being first class gentlemen."

Wearing their freshly-laundered white uniforms are, FIRST ROW: Joe Hyatt, Joe Chapman, David Morgan, Jimmy Parham, Dennis Wells, Allan Broyles, Kermit Mathis; SECOND ROW: Cecil Hannah, Bruce Miller, Dwight Willis, Gary Mann, Jerry Yates, Terry Milner, Richard Milsaps, David Byers; THIRD ROW: Alec Hyatt, Mike Miller, Doug Buchanan, Buford Cook, Ronnie Patrick, Larry Stewart, Anthony Duke, Terry Scroggs; FOURTH ROW: Bill Kinken, David Hamlett, Mike Rickman, Doug King, Eric Zachery, Bill Ivester, Phil Cook, Dennis Grahl; FIFTH ROW: Van Ford, Roger Hall, Robert Fletcher, Nick Phillips, Johnny Jackson, Ronnie Sprinkle, Dennis Frady, and Jimmy Furness.

Black Bear Squad

Football is an important sport at Canton High whether we are winning or losing. At football games there are friends, food, and, for entertainment at half time, the band and majorettes, besides the main attraction--football. At one home game during the season, Parents' Night is observed. The parents of each varsity player attend the game and are recognized. Another highlight of the season is, of course, homecoming, then the whole team selects a homecoming queen from the girls chosen by the senior players. Awarding of individual trophies takes place at the football banquet each year. This season the Black Bears placed on the W.N.C. All-Scholastic Grid Team with Anthony Duke on second team, and Roger Hall, Bill Kinken, and Gary Mann as honorable mentions.

The hardy coaches of the Black Bear squad pause during practice. They are Bill Churm, Bob Holcombe, Boyd Allen, Bill Stamey, and Bill Phillips.

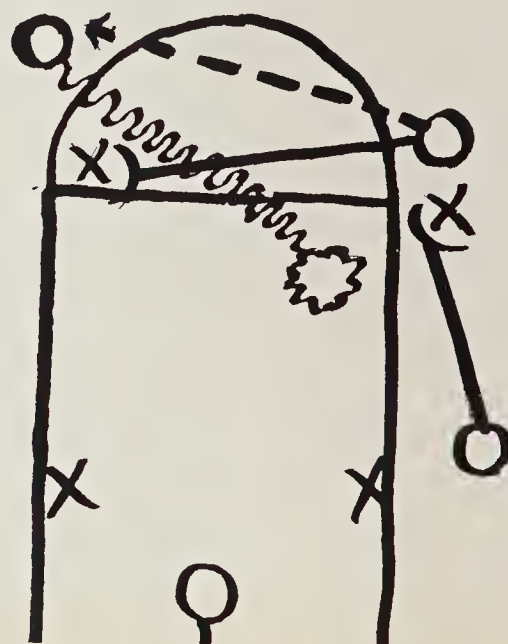

Waiting for the game are: Diane Wells, Vickie Coman, Phyllis Vance, Patsy Ammons, Ellen Evans, Beth Parker, Pat Murphy, Debbie Justice, Sharon Queen, Gloria Swanger, Laura Greeley, Peggy Queen, Margot Dale, and Barbara Thompson.

Girls Basketball

Hard work goes in to basketball and these girls are no strangers to this because they have given many hours of their time and efforts in practice, in travel, and in the game.

Many of these girls hold high level positions in their class and in the many clubs in school. All of them at this time plan to continue their education either in college or in Technical Training. Everyone should be proud for a group as fine as this basketball team to represent C.H.S. in our athletic program.

There are about six lettermen returning to be assisted by several new players who will be swinging the Black Bear Bat for the first time. With a lot of effort from the boys, the team hopes to have a profitable season.

These are the boys that make up the 1964 track team. They work very hard with very little recognition. The events require a great individual effort which will be on exhibition at the Blue Ridge Track meet in the spring.

## Achievement and Ability

Everyone has a different ability but whether it is great or not so great each person has the responsibility to fully develop his talent and use it for a worthwhile purpose.

## The 1963 Prom

"Over the Rainbow into Candyland" -- was the theme of the 1963 Junior-Senior Prom. In spite of skepticism, the imagination and industriousness of the decorating committee converted the gym into a storybook fantasy. The bridge leading to Candyland was a rainbow with a pot of gold at each end. There was an imposing castle with fiery dragons protecting it and a huge gingerbread man higher than the basketball goal. The most beautiful spot was one corner of the room where a flowing fountain glittered as the multi-colored lights beamed on it. The one drawback was that half-way through the banquet the flowing fountain flowed no more.

If the banquet did not satisfy the appetites of the dancers, there were plenty of candy trees to munch on. On the stage was a gingerbread house with suckers, gumdrops, and chewing gum covering it and in another corner was a 4-foot ice cream cone with chocolate syrup.

The ceiling was also a little out of the ordinary. The streamers were of blue and clustered in the center of the draping ceiling were balloons of many different colors.

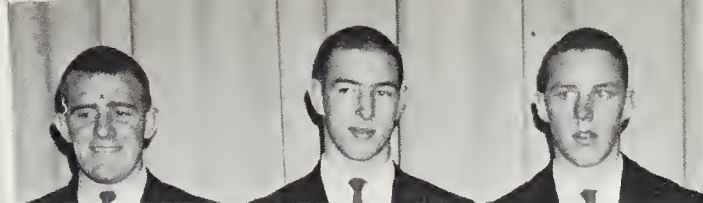

Certainly if there were in reality a wondrous land such as the Juniors created, there would not be many children satisfied to stay down here. However, this dreamland was real to many who attended and will long be a cherished memory of their high school years.

"Sleepy?"

"Hey, whatcha looking at?"

"Hmp!"

"Oh, my ears!"

"Pretty sour?"

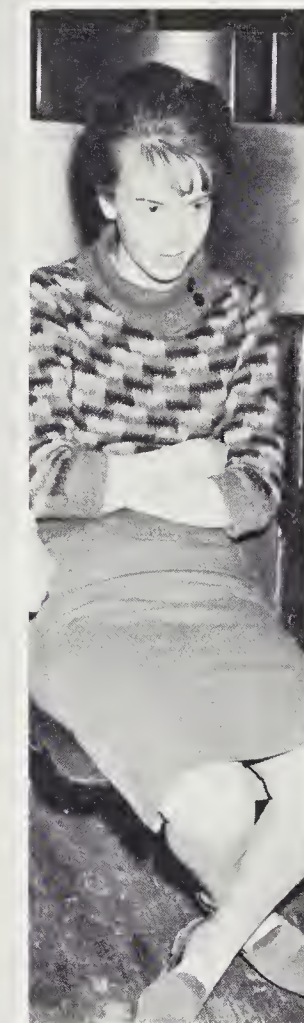

"Take me to your leader."

"Oh, my hat!"

"Cheese?!?"

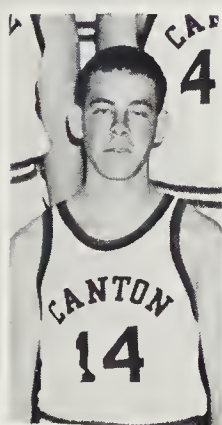

"Grin and bear it."

"Don't you dare!"

"Ow!"

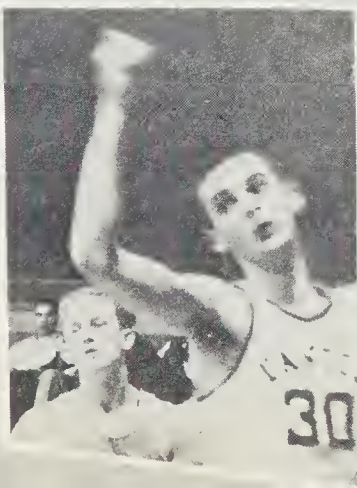

"Wanta fight?"

"I'm tuff!"

## *In Memoriam*

If but one message I may leave behind,  
One single word of courage for my kind,  
It would be this -- Oh, brother, sister, friend  
Whatever life may bring, what God may send,  
No matter whether clouds lift soon or late,
